INFORMATION DISCLOSURE STATEMENT

Please consider the references listed on the enclosed PTO-1449 form. Foreign patent documents and non-patent literature are enclosed; cited U.S. patents and patent application publications will be provided on request.

Also included is the latest office action from application serial no. 09/401,873 a co-pending application containing a common description and owned by the assignee of the present application. Also included is the Reply to that action.

The office action is included to advise the examiner of the present application of the treatment given to the Patterson reference cited in this IDS and applied by the examiner in the co-pending application.

The examiner is assumed to have electronic access to the complete file of the co-pending and therefore the complete file is not included. Applicant invites the examiner to review that file, if deemed necessary.

If the examiner does not have electronic access to the file Applicant will furnish the file upon request.
